

Volunteers Needed!!

2010 Boccia National Championships

The Sport:

A Paralympic Sport that is competed in over fifty countries around the world, for athletes who have a physical disability that affects their motor skills (primary disability is traditionally Cerebral Palsy). The event will feature competition in three different events; individual, pairs, and team. The goal of the sport is for athletes to position their balls closer to the target ball (Jack) than their opponents' balls.
